

Pichi Richi Railway Preservation Society Inc.,

Application for Membership 2022

ABN 24 530 998 354

Pichi Richi Railway is an award winning, operating museum run by volunteers with the object to conserve the narrow-gauge railway through Quorn and the Pichi Richi Pass, in the Flinders Ranges of South Australia.

Our railway offers journeys aboard authentic heritage trains, departing from Quorn and Port Augusta on published schedules.

The Society encourages all members to contribute to maintaining and the conservation of the railway between Port Augusta and Quorn and promotes a culture of respect and recognition of all members' contributions.

PRRPS supports self-development in a family-friendly environment, where all members can make a valuable contribution, gaining skills and experience and enhancing life-long learning.

Thank you on behalf of the Pichi Richi Railway Preservation Society for contributing to our railway heritage and for renewing your membership in 2022, or for joining the PRRPS for the very first time.
