Pichi Richi Railway is an award-winning operating museum run by volunteers with the objective to conserve the narrow-gauge railway through Quorn and the Pichi Richi Pass, in the Flinders Ranges, South Australia.

Our iconic railway offers journeys aboard authentic heritage trains, departing from Quorn and Port Augusta on published schedules.

Pichi Richi Railway Society encourages all members to contribute in maintaining and conserving the railway in any capacity.

PRRPS promotes a culture of respect and recognition of all members' contributions, and supports self-development in a family-friendly environment, where all members can make a valuable contribution, gaining skills and experience and enhancing life-long learning.

Thank you on behalf of Pichi Richi Railway Preservation Society for contributing to our railway heritage and for joining..
